Managers and Supporters Training

The training for Managers and Supporters is run by SHQ and the cost for the training will be paid directly by the Region.

As you are aware, the new Manager/Supporter training is for everyone taking on a new role as an AGSL, GSL or Commissioner. **Prior to participating in a Skills Course**, Managers or Supporters should have completed Getting Started, Training for all Appointments (Modules 5, 6, 7, 10, 11, 12A) and the necessary Independent Learning. This continues to be the responsibility of Districts and Regions, and all learners should have a TA for Managers and Supporters to assist with this process. [Read about the scheme](#) in more detail on the UK website. All bookings for the course have to be on the Scotland Scouts website under events.made
